Problem Statement

- Students and campus users struggle with slow, inconvenient print services
- Long queues and unreliable campus printers cause delays
- Need for quick, reliable printing and stationery access on or near campus

Printhub answers this with next-day delivery and easy online ordering.

What is Printhub?

- **Print Solutions:**
  - A web platform where users upload PDFs or images to print, ready for next-day pickup at college.
- **Stationary Store:**
  - Also offers convenient online purchase of stationery items with the same simple process.
- **Target Audience:**
  - Designed for students, faculty, and anyone needing fast, quality print solutions.

How it works **Printhub**

Simple steps to get your prints or items delivered

1. Create Job
2. Customize Options
3. Confirm Order
4. Get Delivery

Three User Roles, One Seamless Experience

User

Upload files, order prints or stationery, track orders easily

- Simple file upload interface
