## Module 1: Introduction

| # | Question | Marks | Month & Year |
|---|---|---|---|
| 1 | Define the terms: Hazard, Vulnerability, Risk | 5 | Dec 2022 |
| 2 | Define the terms disaster, hazard, vulnerability and risk | 5 | Dec 2025 |
| 3 | Define the terms disaster, hazard, vulnerability and risk | 5 | May 2025 |
| 4 | Discuss the Direct and indirect effects of disasters | 5 | Dec 2022 |
| 5 | What is Disaster Scenario of India? | 5 | Dec 2022 |
| 6 | What is Climate Change? What are the effects of Global Warming? | 5 | Dec 2022 |
| 7 | Explain global warming and climate change | 5 | Dec 2023 |
| 8 | Discuss Climate change, focusing on its underlying causes, ecological repercussions, and implications for disaster risk management | 5 | May 2024 |
| 9 | Explain how global warming affects the water cycle and its various components | 5 | May 2025 |
| 10 | Justify the significance of studying Disaster Management, highlighting its role in enhancing resilience, minimizing risks, and promoting sustainable development | 5 | May 2024 |
| 11 | Analyze the enduring impacts of disasters on affected communities, infrastructure, and socio-economic systems | 5 | May 2024 |
| 12 | Human repercussions of natural calamities | 5 | Dec 2024 |
| 13 | Evaluate the impact of disasters on infrastructure and their hindrance to developmental projects | 5 | Dec 2024 |
| 14 | Explain the concept of Capacity building along with suitable example | 5 | Dec 2025 |
| 15 | Explain the concept of Capacity building along with suitable example | 5 | May 2025 |
| 16 | Evolving approaches to disaster management in India | 5 | Dec 2024 |

## Module 2: Natural and Manmade Disasters

| # | Question | Marks | Month & Year |
|---|---|---|---|
| 1 | Explain types of Manmade disasters | 5 | Dec 2022 |
| 2 | Provide an overview of various types of Manmade disasters, elucidating their causes, characteristics, and impacts | 5 | May 2024 |
| 3 | Environmental hazard | 5 | Dec 2023 |
| 4 | Explain natural and manmade disasters. Which disasters can be mitigated and how? | 10 | May 2025 |
| 5 | What are different types of flood? Enlist structural mitigation measures for flood | 10 | Dec 2022 |
| 6 | Explain disaster management for floods in urban areas | 5 | May 2025 |
| 7 | Urban flooding: Implications for major cities | 5 | Dec 2024 |

| # | Question | Marks | Month & Year |
|---|---|---|---|
| 8 | Mention the probable reasons of flash floods occurring in Northern parts of the country | 5 | Dec 2025 |
| 9 | Discuss the preventive measures for: i) Landslides ii) Urban floods | 10 | Dec 2025 |
| 10 | Explain the types of landslide and factors affecting them. Give a case study for the same | 10 | Dec 2022 |
| 11 | Define liquefaction and debate the merits of retrofitting versus relocation in landslide-prone areas | 5 | Dec 2024 |
| 12 | What are droughts? State the mitigation measures taken in drought prone areas | 10 | May 2025 |
| 13 | Classify different types of droughts and outline structural mitigation measures suitable for drought-prone regions | 10 | May 2024 |
| 14 | Comment on radiation hazards. Also discuss possibilities of chemical spills in Mumbai | 10 | Dec 2023 |
| 15 | Discuss the various types of technological disasters and highlight the specific efforts to mitigate such disasters in India | 10 | Dec 2023 |
| 16 | Describe the common causes of Industrial and Chemical Disaster | 10 | Dec 2025 |
| 17 | Enumerate preparedness measures for minimizing chemical disaster losses | 5 | Dec 2024 |
| 18 | State the do's and don't to be followed during outbreak of fire in a chemical factory | 5 | Dec 2025 |
| 19 | Delve into the paradox of industrialization: economic progress versus the threat of industrial mishaps | 5 | Dec 2024 |
| 20 | Discuss the role of growing population, industrialization, urbanization, and changing lifestyles in contributing to environmental degradation. What measures can be taken to mitigate their impact? | 10 | May 2025 |
| 21 | In what way haphazard urbanisation contributes to increased vulnerability to disasters | 10 | Dec 2025 |
| 22 | Describe the measures that are taken to preserve the environment in and around a nuclear power plant. Comment on the effectiveness of these measures with reference to some nuclear power plant in the nearby vicinity | 10 | Dec 2025 |
| 23 | Discuss various types of natural disasters in India and highlight their impacts on life | 10 | Dec 2023 |
| 24 | Identify and discuss the various hazards which are associated with volcanic eruptions | 10 | Dec 2023 |
| 25 | Write a note on Volcanic eruptions | 8 | May 2025 |
| 26 | Is rapid depletion of groundwater a type of disaster? To which categories does this belong? What are the reasons for this problem? | 10 | Dec 2023 |
| 27 | Highlight the protective role of natural ecosystems against disasters, with examples | 5 | Dec 2024 |
| 28 | What are the dos and don'ts in the event of a Covid like pandemic? | 6 | May 2025 |

## Module 3: Disaster Management, Policy and Administration

| # | Question | Marks | Month & Year |
|---|---|---|---|
| 1 | What are different government agencies responsible for various types of disasters? | 10 | Dec 2022 |

| # | Question | Marks | Month & Year |
|---|---|---|---|
| 2 | Discuss the roles and functions of various government agencies in Disaster Management in India, emphasizing their coordination and collaboration efforts | 10 | May 2024 |
| 3 | Discuss the framework for disaster management in India | 10 | Dec 2023 |
| 4 | National Disaster Management Policy | 5 | Dec 2023 |
| 5 | Discuss in brief the Disaster Management Act 2005 | 10 | Dec 2023 |
| 6 | Write a short note on DM Act 2005 | 5 | May 2025 |
| 7 | Describe the key provisions & objectives of Disaster Management Act, 2005 | 10 | Dec 2025 |
| 8 | Explain PDCA cycle of disaster management | 5 | May 2025 |
| 9 | Elaborate on the PDCA cycle of disaster management | 8 | Dec 2025 |
| 10 | Examine the multifaceted components of Disaster Management, including preparedness, response, recovery, and mitigation strategies | 10 | May 2024 |
| 11 | Describe the Search and Rescue (SAR) procedure in disaster response, supported by a case study illustrating its implementation and effectiveness | 10 | May 2024 |
| 12 | Evolving approaches to disaster management in India | 5 | Dec 2024 |

## Module 4: Institutional Framework for Disaster Management in India

| # | Question | Marks | Month & Year |
|---|---|---|---|
| 1 | Explain roles and responsibilities of NDMA in detail | 10 | Dec 2022 |
| 2 | Examine NDMA's directives for disaster preparedness in India | 10 | Dec 2024 |
| 3 | What are the scope and responsibilities of NIDM and NDMA? | 10 | May 2025 |
| 4 | Functions of NIDM | 5 | Dec 2023 |
| 5 | Outline the functions and duties of NIDM | 10 | Dec 2024 |
| 6 | Describe the roles & functions of NIDM (National Institute of Disaster Management) | 10 | Dec 2025 |
| 7 | Explore the scope and responsibilities of the NIDM in disaster preparedness, training, research, and policy formulation | 10 | May 2024 |
| 8 | Elaborate the guidelines laid down by NIDMA for disaster management in India | 10 | Dec 2023 |
| 9 | Describe the institutional mechanism setup in India | 10 | Dec 2022 |
| 10 | Discuss the role of GIS and Remote Sensing in disaster management | 10 | Dec 2022 |
| 11 | Explain the role of GIS and GPS in disaster management | 10 | Dec 2023 |
| 12 | Discuss the applications of remote sensing and GIS in Disaster management process | 10 | May 2025 |
| 13 | Investigate the applications of GIS in disaster management, highlighting its role in spatial analysis, risk assessment, and decision-making | 10 | May 2024 |

| # | Question | Marks | Month & Year |
|---|---|---|---|
| 14 | Explore the applications of GPS and GIS in drought mitigation strategies | 10 | Dec 2024 |
| 15 | Elaborate the importance of disaster risk mapping with focus on Role of GIS in the process | 10 | Dec 2025 |
| 16 | Leveraging technology for disaster preparedness | 5 | Dec 2024 |
| 17 | Triage | 5 | Dec 2023 |
| 18 | Explain Triage. Analyze the importance of initial response in disaster management | 10 | Dec 2024 |

## Module 5: Financing Relief Measures

| # | Question | Marks | Month & Year |
|---|---|---|---|
| 1 | What is role of NGOs in disaster management? Enlist major NGOs working on disaster management | 10 | Dec 2022 |
| 2 | Describe in brief about the role of NGO's in disaster management | 5 | May 2025 |
| 3 | Assess the contributions of various NGOs in Disaster Management, outlining their roles in emergency response, community engagement, and capacity-building initiatives. Additionally, list major NGOs operating globally in this field | 10 | May 2024 |
| 4 | Examine the collaborative efforts of government bodies and NGOs in disaster management | 10 | Dec 2024 |
| 5 | Discuss the role of NGO's in funding the pre-disaster and post-disaster activities | 10 | Dec 2025 |
| 6 | Explain the role of various international agencies for Disaster Management | 10 | Dec 2023 |
| 7 | Investigate the contributions of international aid agencies during extreme crises | 10 | Dec 2024 |
| 8 | Global aid organizations in crisis response | 5 | Dec 2024 |
| 9 | Explain various means of raising finance for mitigating and managing disasters | 10 | Dec 2023 |
| 10 | Evaluate various fundraising mechanisms for disaster management, considering their effectiveness, sustainability, and ethical implications | 10 | May 2024 |
| 11 | What are the various methods of financial management during a disaster? Explain the government's fund-raising system for disaster response and recovery | 10 | May 2025 |
| 12 | Propose strategies for funding disaster relief efforts and discuss legal considerations | 10 | Dec 2024 |

## Module 6: Preventive and Mitigation Measures

| # | Question | Marks | Month & Year |
|---|---|---|---|
| 1 | Explain Bio shield and Sea wall in detail with schematic diagram | 10 | Dec 2022 |
| 2 | Sea walls, embankments and birdshields | 5 | Dec 2023 |
| 3 | Define Bioshield and explore its utility in disaster mitigation, particularly in addressing specific hazards such as floods, landslides, and coastal erosion | 5 | May 2024 |
| 4 | Differentiate between structural and non-structural measures of flood mitigation and discuss the importance of forecasting, warning and monitoring system in India | 10 | Dec 2023 |
| 5 | Explain with examples structural and non-structural mitigation measures | 6 | May 2025 |
| 6 | Describe non-structural measures for pandemic containment | 10 | Dec 2024 |
| 7 | Explain in detail the design concepts involved in as well as the construction materials used for the safe construction of facilities in case of earthquakes and cyclones. Also discuss the fire resistant facilities that need to be essentially provided in a building/industry | 10 | Dec 2023 |
| 8 | Guidelines for earthquake safety | 5 | Dec 2024 |
| 9 | Explain in detail, vulnerability, with reference to floods and cyclones. List down the preparation measures for minimizing vulnerabilities related to Tsunami | 10 | Dec 2023 |
| 10 | Define vulnerability and its significance in disaster management | 5 | Dec 2024 |
| 11 | Define early warning systems and illustrate their benefits through recent instances of flood, cyclone, and tsunami alerts | 10 | Dec 2024 |
| 12 | What is Community Base Disaster Management (CBDM)? Discuss how it is useful in Indian scenario | 10 | Dec 2022 |
| 13 | Community Based disaster preparedness | 5 | Dec 2023 |
| 14 | Explain Community based disaster preparedness | 10 | Dec 2023 |
| 15 | Capacity building | 5 | Dec 2023 |
| 16 | Define Capacity Development and illustrate its application through a case study of Community-Based Disaster Management (CBDM), emphasizing community empowerment, resilience-building, and sustainable development | 10 | May 2024 |
| 17 | Discuss the Concept: Risk transfer and Risk financing with suitable examples | 12 | Dec 2025 |
| 18 | Assess the involvement of different stakeholders in mass casualty situations | 10 | Dec 2024 |

| # | Question | Marks | Month & Year |
|---|---|---|---|
| 19 | What are Do's and don't in Earthquake, Tsunami and Cyclone? | 10 | Dec 2022 |
| 20 | Enumerate essential Do's and Don'ts for disaster preparedness and response, providing practical guidelines for individuals and communities to mitigate risks and ensure safety | 10 | May 2024 |
