

Anjuman-I-Islam's M.H. Saboo Siddik College of Engineering

Department Of Information Technology

Course Code : ITL601

Course Name : BI Lab

Name:

Roll No:

Class : TE-IT/SEM VI

Sr. No.	Title	DOP	DOS	Marks (15)	Sign
1	To perform Data Exploration using Excel.				
2	To create dashboard using Power BI.				
3	To Perform BI using Weka				
4	To Perform BI using Tableau				
5	To implement a Decision Tree algorithm using Python				
6	To Implement Clustering Using Python				
7	To implement Association Rule Mining using Apriori Algorithm in Python.				
8	To implement Regression in Python and analyze relationships between variables using regression models				
9	To install MS SQL Server and perform data management operations using SQL Server Management Studio (SSMS).				
10	To perform data analysis using Microsoft Excel.				

Sr. No.	Title	DOP	DOS	Marks (15)	Sign
1	Assignment 1				
2	Assignment 2				

Name and signature of Laboratory In-charge : Prof. Fardeen Shaikh
